Decorative Exterior Lighting Rule Addendum

1. Decorative lights may be installed only in patio areas, not on balconies, decks, doors or entrances.
2. Decorative lights may be a maximum height of 10 ft. from ground level of the patio area.
3. Nothing, such as lights, may be permanently affixed to any exterior part of the structure - this includes railing, walls, doors, gutters and etc.
4. Nothing (e.g. toggle bolts) may penetrate any part of the structure.
5. Nothing, such as lights, may be affixed to landscaping on the outside of any unit's patio area.
6. All decorative lights must be White except during holiday periods.
7. Lights may be operated until 11pm.
